Forecast for Tuesday 01 Mar 2022

Weather: Any cloud will mostly clear away overnight with slight frost in places in the cool northerly airstream. Leading into a dry and sunny start to the day and although feeling cold in the fresh northerly winds, the sun will provide some winter warmth when walking. Cloud free skies are likely in the north in the morning but more cloud developing in the afternoon around Southern Snowdonia. A dry evening expected to follow, although turning cloudier later from the south.

Chance of cloud-free hill tops above 800m: Nearly 100%, very little low cloud or cloud at any height expected on Tuesday.

Low Cloud and visibility: Generally very good or excellent visibility throughout the day, perhaps slightly hazier in the south towards Bala and Dolgellau.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

A very pleasant day expected for the mountains of Snowdonia but still fresh northeasterly or easterly winds but more in the way of sunshine. Still feeling cold with freezing level down to 600m at times.

Forecast for Wednesday 02 Mar 2022

Weather: Thicker cloud with light and patchy rain will arrive from the south by midnight and will persist through the rest of the day.

Maximum wind: Southeasterly 25mph gusts 30-35mph.

Chance of cloud-free hill tops above 800m: Near zero for much of the day across summits.

Low Cloud and visibility: Extensive layers of low cloud from 300m, giving generally poor visibility in drizzle and light rain.

Temperature: **Valleys:** Plus 2 rising to 7 Celsius.
At 800m: Minus 1 rising to 2 Celsius.
Freezing level: Above all summits.
